

Registering in LabDash

To sign your child/children up for LabDash, **the parent or guardian must first sign themselves up**. After your registration is complete, you may then log into LabDash and add your children as your dependents.

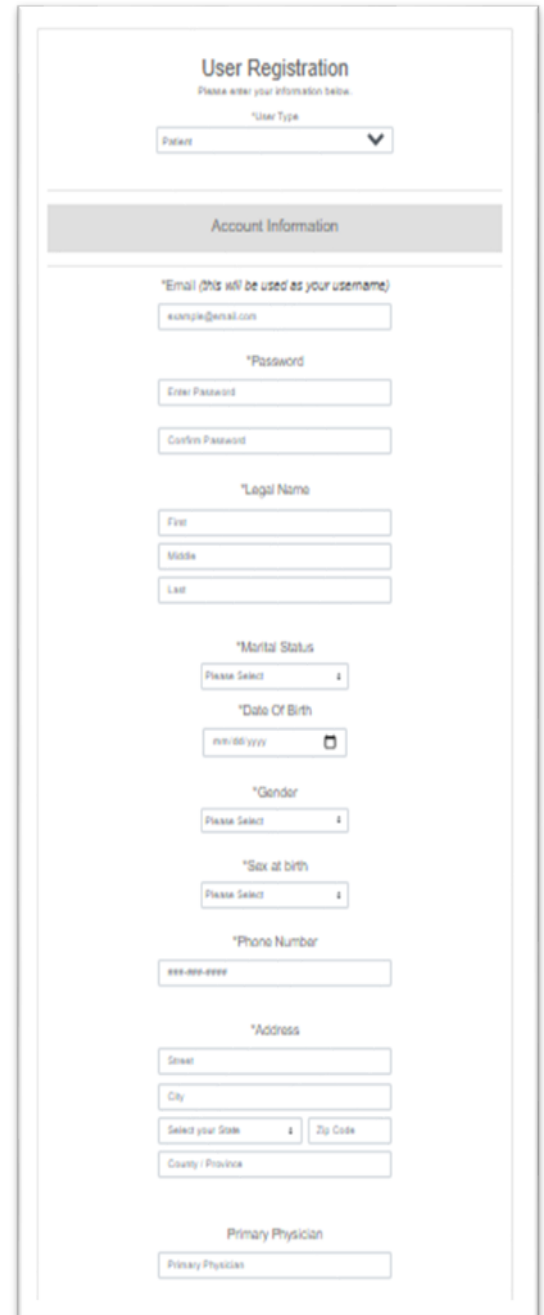

Parents or children 16 or older:

1. Go to LabDash.net
2. Select the “Register” button on the main page
3. Under “User Registration” select “Patient”
4. Fill out all required information indicated with an asterisk (*) on the registration form
5. Include required insurance information if you have it, however **INSURANCE WILL NOT BE BILLED**
6. After you click the “submit” button an email will be sent to the email account you supplied on the form
7. Follow the instructions on the email to complete your account

To add your child/children to the account:

1. Log in to your LabDash account
2. At the bottom of the screen click the button reading “Add or View Dependents”
3. Click the “+Add Dependent” button
4. Fill out your child/children’s information in the form provided and click “submit”

You have successfully signed up for LabDash!

The screenshot shows the 'User Registration' form on the LabDash website. The form is titled 'User Registration' and includes a sub-header 'Please enter your information below.' Below this, there is a dropdown menu for 'User Type' with 'Patient' selected. A grey bar separates the 'User Type' section from the 'Account Information' section. The 'Account Information' section contains several fields, all marked with an asterisk (*) to indicate they are required. These fields include: 'Email (this will be used as your username)' with a text input field containing 'example@email.com'; 'Password' with 'Enter Password' and 'Confirm Password' text input fields; 'Legal Name' with 'First', 'Middle', and 'Last' text input fields; 'Marital Status' with a dropdown menu showing 'Please Select'; 'Date Of Birth' with a date picker showing 'mm/dd/yyyy'; 'Gender' with a dropdown menu showing 'Please Select'; 'Sex at birth' with a dropdown menu showing 'Please Select'; 'Phone Number' with a text input field containing 'xxx-xxx-xxxx'; 'Address' with 'Street', 'City', 'Select your State' (dropdown), 'Zip Code', and 'County / Province' text input fields; and 'Primary Physician' with a text input field containing 'Primary Physician'.
